

The Edge – Indoor Rock Climbing

**THE EDGE**  
ROCKCLIMBING  
CENTRE

Inspire is excited to give children the opportunity to visit THE EDGE in the upcoming school holidays. This is a great physical activity that is both fun and challenging and we are confident the children will love it!

This modern facility provides a variety of climbing challenges and varying degrees of difficulty.

The Edge safety systems include standard and auto belay devices. There is also a large bouldering zone and high ropes course!

**Inspire’s Parent Declaration**

I understand that an “Excursions and Incursions” Risk Assessment has been completed prior to the event and is available to me upon request.

I accept that children will be supervised at all times, and that all travel between the Centre and excursion venues will be via our own fleet of small buses with a seating capacity of between 12-21 people and all drivers have the appropriate driving qualifications and current Working With Children Checks.

I understand that all excursions are compulsory for all children booked in to attend on that day.

I accept that it is my responsibility to ensure my child/ren is/are at the Centre **30 minutes** before the scheduled departure bus time on excursion days. I understand that I will need to make alternative care arrangements for my child/ren if we arrive late or to transport them to the excursion venue myself.

I understand if all relevant and required waivers and permission forms are not completed and submitted, my child/ren will not be able to attend the excursion and I will need to make alternative care arrangements for my child/ren.

I understand that my children must wear one of Inspire’s orange polo shirts whilst on the excursion as this helps with supervision. If my child does not have a polo shirt – I agree to purchase one.
